CAPWIC 2019 is a great opportunity for you to learn from others, network, and submit your resume for internships or employment!

ACM Capital Region Celebration of Women in Computing

Join us for the 2019 Capital Region Celebration of Women in Computing (CAPWIC), an ACM Celebration! CAPWIC will be held March 22-23 at James Madison University in Harrisonburg, VA. CAPWIC provides a venue for future computing professionals to gain confidence in their skills, network with each other, and learn from accomplished technical women. Learn from others in the industry and in academia through various panels, presentations and workshops. The job fair will highlight the many career opportunities available after graduation.
